

BOLETÍN DE INVESTIGACIONES MARINAS Y COSTERAS

The Boletín de Investigaciones Marinas y Costeras (published by the Instituto de Investigaciones Marinas y Costeras, Invemar, Colombia), one of the oldest and more stable Latin American journals dedicated to marine and coastal issues, is interested in publishing the proceedings of the **II Congreso Iberoamericano de Gestión Integrada de Áreas Litorales: Gobernanza para los Servicios Ecosistémicos de las Costas y los Océanos (GIAL 2016)**. Instructions for authors can be checked at the link

<http://www.invemar.org.co/boletin/faqs.jsp>

Considering the international audience of the meeting only manuscripts in **English** will be considered for this issue. Deadline for submitting contributions is the **1st of July, 2016**.

The journal is indexed in Publindex-Colciencias in category A2 retaining this position since 2005 and it is also in Web of Science and SciELO-Colombia. In addition, the Bulletin is an open access publication, which can be consulted on INVEMAR's website (www.invemar.org.co/boletin) and it is also distributed nationally and internationally through exchange systems.

Finally, we are registered in ASFA, Biological Abstracts, Biosis Previews, Geobase, Periódica, Zoological Record, Latindex, Publindex, SciELO-Colombia, DOAJ e ISI Web of Knowledge.
